Dear [Recipient's Name],

We are excited to propose a co-development initiative aimed at fostering skill sharing and collaboration between our organizations. Our goal is to leverage our collective expertise to enhance our respective capabilities and drive innovation.

We believe that by sharing our skills and knowledge, we can create a more robust partnership that benefits both parties. We envision a series of workshops, training sessions, and collaborative projects that will not only improve our individual skillsets but will also strengthen our organizational relationship.

We would like to schedule a meeting to discuss this initiative in more detail and explore potential areas of collaboration. Please let us know your availability for a meeting in the coming weeks.

Thank you for considering this opportunity. We look forward to the possibility of working together to enhance our skills and achieve mutual success.

Sincerely,
