To Whom It May Concern,

I am writing to formally register my estate plan, which includes the following documents:

- Will
- Trust Agreement
- Power of Attorney
- Healthcare Proxy

These documents outline my wishes regarding the distribution of my assets, the management of my financial affairs, and my healthcare decisions in the event that I am unable to make those decisions myself.

Please let me know if you require any further information or documentation to complete this registration.

Thank you for your attention to this matter.

Sincerely,
