To Whom It May Concern,

We, [Husband's Full Name] and [Wife's Full Name], residing at [Your Address], wish to formally petition for the international adoption of a child. As a married couple committed to providing a loving and supportive home, we believe that gifting a child with a family is one of the most meaningful contributions we can make.

Our backgrounds are as follows:

We have been married for [Number] years and together have created a stable, loving environment that we would like to share with a child in need. Our intent is to provide a nurturing atmosphere that fosters growth, education, and happiness.

We are fully aware of the responsibilities that come with adoption and have prepared ourselves emotionally, financially, and socially for this journey. We assure you that we will prioritize the best interests of the child above all.

In compliance with the adoption process, we have gathered all necessary documentation, including our marriage certificate, financial statements, and home study reports. We are ready to provide any further information required to facilitate this process.

Thank you for considering our petition for international adoption. We look forward to your positive response and are eager to begin this new chapter in our lives as loving parents.

Sincerely,
