To Whom It May Concern,

I am writing to formally request a paternity test in the case of my adoption of [Child's Name], dated [Adoption Date]. As a concerned party, it has come to my attention that there may be information regarding potential biological ties that could impact the welfare and future of the child.

Understanding the biological parentage is crucial for medical history, identity, and emotional well-being. I believe that a paternity test is necessary to clarify these matters and ensure that [Child's Name] receives the best support possible moving forward.

I kindly ask for your cooperation in facilitating this request and to consider the implications this could have on all parties involved. Please feel free to contact me at your earliest convenience to discuss this matter further.

Thank you for your consideration.

Sincerely,
