Subject: Initiation of Paternity Test

Dear [Recipient's Name],

I hope this letter finds you well. I am writing to formally initiate the process for a paternity test regarding [child's name], born on [date of birth]. As part of the ongoing family law proceedings, it is crucial to establish paternity clearly and conclusively.

Please find attached the necessary documentation and my signed consent for the paternity test. I propose we utilize [name of testing facility or lab] to conduct the procedure at the earliest convenience. Their contact information is as follows: [contact details of the testing facility].

It is my goal to handle this matter efficiently and amicably. I welcome your cooperation and am open to discussing the details further to move forward positively.

Thank you for your attention to this important matter. I look forward to your prompt response.

Sincerely,

[Your Name]
