Dear [Recipient Name],

I hope this message finds you well. I am writing to inquire about the possibility of conducting a paternity test as part of a custody determination regarding my child, [Child's Name].

As we are currently in the process of establishing custody arrangements, it is critical to confirm the biological relationship between myself and [Child's Name]. I believe that a formal paternity test will provide the necessary clarification needed for our case.

Please provide me with information on how to proceed with this request. Specifically, I would like to know the following:

- What steps are required to initiate the paternity test?
- What is the estimated timeline for obtaining results?
- What documentation is needed from my side to facilitate this process?
- Are there any costs associated with the paternity test that I should be aware of?

Your prompt response to this inquiry would be greatly appreciated, as it is important for us to move forward with the custody proceedings in a timely manner.

Thank you for your assistance and support.

Sincerely,

[Your Name]
