Dear [Recipient Name],

I am writing to request financial support for our family support services program, [Program Name], which aims to [briefly describe the purpose of the program]. Our current funding has been depleted, and we are in urgent need of assistance to continue providing vital services to families in our community.

Our program has successfully [mention any achievements, statistics, or impact on the community], and we believe that with your support, we can enhance our reach and effectiveness.

We are seeking a financial contribution of [amount requested] to cover [specific needs or expenses]. This support will directly impact the families we serve and help us fulfill our mission of [state mission or goal].

I would greatly appreciate the opportunity to discuss this request further and explore how we can collaborate for the benefit of our community. Thank you for considering our request for support.

Sincerely,
