Subject: Feedback on Transportation Service Inquiry

Dear [Transportation Service Provider's Name],

I hope this message finds you well. I am writing to provide feedback regarding my recent inquiry about your transportation services on [Insert Date of Inquiry].

Firstly, I would like to thank you for your prompt response and the detailed information provided. Your clarity regarding pricing and the types of vehicles available was very helpful in making an informed decision.

However, I would appreciate it if you could improve your response time for future inquiries, as I had to wait a little longer than expected for a reply. Additionally, having more options for routes would be beneficial.

Thank you once again for your assistance. I look forward to your continued improvement in service and hope to utilize your transportation services in the near future.

Best regards,
