Dear [Recipient Name],

I hope this message finds you well. I am writing to formally request the expansion of our transportation service fleet to better meet the increasing demands of our clientele.

As you are aware, our current fleet has been operating at full capacity due to a consistent rise in service requests. This expansion will allow us to improve service efficiency, enhance customer satisfaction, and ultimately drive greater revenue for our company.

Specifically, we propose the addition of [number] new vehicles, which would enable us to:

- Reduce wait times for our clients
- Increase our service area coverage
- Improve overall service reliability and quality

We believe that this strategic investment in our fleet will yield significant benefits and strengthen our position in the market. I would appreciate the opportunity to discuss this proposal in further detail at your earliest convenience.

Thank you for considering this request. I look forward to your positive response.

Sincerely,
