Dear [Recipient's Name],

I am writing to propose the establishment of new cross-border shipping routes that could enhance our logistics efficiency and increase trade opportunities between [Country A] and [Country B]. As our businesses continue to grow, it is imperative to explore innovative solutions to meet rising demand and ensure timely delivery of goods.

Through my research, I have identified key factors that suggest the viability of these new routes:

- Increased demand for [specific goods or services].
- Reduction in shipping time and costs.
- Potential partnerships with local shipping companies for better resource management.

I propose that we conduct a feasibility study to assess the logistics, regulatory requirements, and potential partnerships involved in the implementation of these routes. I believe that with collaboration and strategic planning, we can significantly benefit our respective organizations.

I would appreciate the opportunity to discuss this proposal further and explore how we can work together to achieve mutual benefits. Please let me know a suitable time for us to meet or have a call.

Thank you for considering this proposal. I look forward to your positive response.

Sincerely,
