

Neurological Health Assessment Introduction

Dear [Patient's Name],

Welcome to our telehealth services. We are dedicated to providing comprehensive neurological health assessments tailored to your needs.

This session aims to evaluate your neurological health by discussing your symptoms, medical history, and conducting a virtual examination. Our goal is to ensure you receive the best possible care from the comfort of your home.

Please have the following ready for your assessment:

- A list of your current medications
- Your medical history and any previous neurological evaluations
- A quiet space for our discussion

Thank you for choosing our telehealth services. We look forward to assisting you with your neurological health.

Sincerely,

[Your Name]
