

Request for Virtual Health Consultation

Dear [Doctor's Name],

I hope this message finds you well. I am writing to express my desire to schedule a virtual health consultation with you regarding my ongoing health concerns.

Given the current circumstances and my preference for telehealth options, I believe a virtual appointment would be the most convenient way for us to discuss my condition and any necessary treatments.

Please let me know your available times for a consultation. I am flexible with my schedule and can accommodate your earliest available slots.

Thank you for your attention to this matter. I look forward to hearing from you soon.

Best regards,

[Your Name]
