

Introduction of New Multi-Disciplinary Care Team Members

Dear Team,

We are excited to introduce our newest members who will be joining our multi-disciplinary care team:

- **Dr. Jane Smith** - Clinical Psychologist: With over 10 years of experience in mental health, Dr. Smith brings a wealth of knowledge in cognitive behavioral therapy and will be instrumental in our holistic patient approach.
- **Nurse John Doe** - Registered Nurse: John has a background in emergency care and will be focusing on patient assessments and support within our team.
- **Mary Johnson** - Occupational Therapist: Mary specializes in rehabilitation and will help our patients regain their daily living skills.

Each member brings unique skills and perspectives, which will enhance our team's ability to provide comprehensive care.

We encourage everyone to extend a warm welcome and reach out to them to introduce yourselves. Let's work together to create a supportive environment.

Best regards,
Your Care Team Leader
