Dear [Recipient's Name],

I hope this letter finds you well. I am writing to propose a collaboration between [Your Company Name] and [Recipient's Company Name] for the beta testing of our new [Product/Service Name]. Given your expertise in [relevant field/industry], we believe this partnership could yield valuable insights and mutual benefits.

Our beta testing program aims to [briefly describe the purpose and goals of the beta testing]. We are particularly interested in gathering feedback on [specific features or aspects of the product], which aligns with your company's focus on [relevant points related to recipient's company].

We envision the collaboration to include the following key components:

- Access to early versions of our product
- Regular meetings to discuss feedback and observations
- Incentives for participation, such as [describe incentives, if applicable]

In return, we believe that [Recipient's Company Name] would benefit from being among the first to access innovative solutions and the opportunity to shape the development of a product tailored to your needs.

Please let us know if you would be interested in discussing this proposal further. We are excited about the possibility of working together and look forward to your response.

Thank you for considering this opportunity.

Sincerely,

[Your Name]
