

Happy Birthday, [Friend's Name]!

Dear [Friend's Name],

Happy birthday! Today, you officially become the age where you can start lying about your age without any guilt. Remember, age is just a number. In your case, it's a really high one!

They say wisdom comes with age. So, I guess you're now the wisest person I know. Just kidding! You're still the same goofball I love.

As you blow out your candles today, just remember: if you can't count your age on your fingers, it's time to stop counting!

Here's to another year of crazy adventures, questionable decisions, and, of course, us laughing at them together.

Enjoy your special day filled with cake, laughter, and no responsibilities! Because today, you're off-duty from adulthood.

Cheers to you, my forever young friend!

With all the love and a bit of mischief,

[Your Name]
