

Happy Birthday, [Friend's Name]!

Dear [Friend's Name],

As I sit down to write this letter, I can't help but be flooded with memories of all the birthdays we've celebrated together. Do you remember the time we stayed up all night before your 16th birthday, concocting wild plans for the day?

Thinking back to those carefree days brings a smile to my face. We laughed so much, and each moment felt like an adventure. From the surprise party you threw for me to our late-night ice cream runs, each memory is a treasure I hold dear.

On this special day, I just want to remind you of how much you mean to me, even as the years go by. Your friendship has been one of the greatest gifts in my life, and I cherish every moment we've shared.

Here's to you on your special day! I hope this year is filled with new adventures and unforgettable memories. Let's make some more this year!

With all my love,

[Your Name]
