

Update on Medical Treatment

Dear Family,

I hope this message finds you well. I wanted to take a moment to update you on my upcoming medical treatment schedule.

As you know, I have been working with my healthcare team to manage my condition. I am scheduled for treatment on **[Date]**. This will involve **[brief description of the treatment]** and is expected to last approximately **[duration]**.

After the treatment, I will need some time to recover, and I appreciate your support during this period. I will keep you posted on my progress and any changes in the schedule.

Thank you for your love and support. It means the world to me.

Warm regards,

[Your Name]
