

# Science Fair Entry Instructions

Dear Participants,

We are excited to announce the upcoming Science Fair scheduled for **[Date]**. Please carefully read the following instructions to ensure your successful entry:

## Entry Requirements:

- All projects must be original, and each student may enter only one project.
- Projects must be completed and presented by **[Submission Deadline]**.
- Please attach a signed permission slip from a parent or guardian.

## Project Categories:

Projects can be entered in the following categories:

- Physical Sciences
- Life Sciences
- Environmental Sciences
- Engineering

## Presentation Guidelines:

Your presentation should include:

- A display board summarizing your project.
- A brief written report (1-2 pages).
- Oral presentations will be judged.

## Judging Criteria:

Projects will be evaluated based on:

- Scientific Thought
- Creativity
- Presentation Skills

## Contact Information:

If you have any questions, please contact us at **[Contact Email]** or call **[Contact Phone Number]**.

We look forward to seeing your innovative projects at the Science Fair!

Sincerely,

**[Organizer's Name]**

**[Position]**

**[School/Organization Name]**
