

# Feedback on Hospital Hygiene Practices

Date: [Insert Date]

To: [Hospital Name]

Address: [Hospital Address]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to provide feedback regarding the hygiene practices observed during my recent visit to [Hospital Name] on [Date of Visit].

Overall, I appreciate the efforts taken by your staff to maintain a clean environment. However, I would like to bring to your attention certain areas that could benefit from improvement:

- Regular cleaning of waiting areas and patient rooms needs to be more consistent.
- Sanitizing stations should be placed at more accessible points throughout the facility.
- Visible reminders for staff and patients about hand hygiene could enhance awareness.

Thank you for your attention to these matters. I believe with a few adjustments, [Hospital Name] can continue to improve its standards of hygiene and overall patient safety.

Sincerely,

[Your Name]
