Subject: Discussion on Translation Rights for [Book Title]

Dear [Recipient's Name],

I hope this message finds you well. I am writing to discuss the translation rights for my self-help book, [Book Title], which was published on [Publication Date]. The book has received positive feedback and I believe there is a significant opportunity for translation into [Target Language(s)].

I would like to explore any potential interest from your publishing house in acquiring these rights. The self-help genre has seen a growing demand in international markets, and I am confident that [Book Title] would resonate with readers in [Target Language(s)].

If this is something you would consider, I would be happy to provide a copy of the manuscript along with any additional information you may require. I look forward to the possibility of discussing this further.

Thank you for your time and consideration.

Best regards,
