Dear [Editor's Name],

I hope this message finds you well. I am writing to formally negotiate the publishing rights for my manuscript titled "[**Manuscript Title**]", which I submitted to [Journal Name] on [Submission Date].

As an author, I believe in the importance of retaining certain rights to my work, particularly concerning future dissemination and reuse. I would like to discuss the following points:

- Retention of rights for self-archiving in institutional repositories
- Permission for use in teaching and presentation materials
- Rights for derivative works or adaptations

I am confident that we can reach a mutually beneficial agreement that respects both my interests as an author and the journal's objectives. I am open to discussing this further at your earliest convenience.

Thank you for considering my request. I look forward to your response.

Sincerely,
