

# Publication Revision Request

Dear [Editor's Name],

I hope this message finds you well. I am writing to formally request a revision of our manuscript titled "[Title of Manuscript]" (Manuscript ID: [Manuscript ID]), which was submitted to [Journal Name] on [Submission Date].

Thank you for the constructive feedback from the peer reviewers. We have carefully considered their comments and made significant changes to enhance the manuscript's clarity and robustness. The following revisions have been made:

- [Summary of Revision 1]
- [Summary of Revision 2]
- [Summary of Revision 3]

We believe that these changes have addressed the reviewers' concerns and improved the quality of our work. Attached to this email, you will find the revised manuscript as well as a detailed response to the reviewers' comments.

Thank you for considering our request. We look forward to your response.

Sincerely,

[Your Name]  
[Your Affiliation]  
[Your Email Address]  
[Your Phone Number]
