Subject: Negotiation for Advance Payment on Self-Published Book

Dear [Publisher's Name],

I hope this message finds you well. I am writing to discuss the advance payment for my upcoming self-published book titled "[Book Title]." After careful consideration of the potential market and sales predictions, I believe that an advance of [proposed amount] would be both reasonable and beneficial for both of us.

This advance will allow me to allocate resources effectively towards marketing and promotional strategies, ensuring that the book reaches its maximum potential audience. Given my background and previous experience, I am confident that this book will achieve significant traction in the market.

I would appreciate the opportunity to discuss this proposal further and find a mutually agreeable arrangement. Please let me know a suitable time for us to connect.

Thank you for your consideration. I look forward to your response.

Sincerely,

[Your Name]
