

Conference Paper Manuscript Appraisal Feedback

Date: [Insert Date]

To: [Author's Name]

From: [Reviewer's Name]

Subject: Feedback on your manuscript titled "[Title of the Paper]"

Dear [Author's Name],

Thank you for submitting your manuscript for consideration at [Conference Name]. I have completed my review and would like to provide you with some feedback.

General Comments

The manuscript presents a valuable contribution to the field of [Field/Subject]. The overall organization is clear, and the results are discussed in a coherent manner.

Specific Comments

1. **Title:** Consider revising the title for clarity and conciseness.
2. **Abstract:** The abstract should more accurately reflect the main findings.
3. **Methodology:** More details on [specific methodology] would enhance reproducibility.
4. **Results:** Some additional context for the results in [specific section] would be beneficial.
5. **References:** Ensure that all references are up to date and formatted correctly.

Conclusion

Overall, I believe the manuscript has great potential but requires revisions to address the highlighted issues. I encourage you to consider my comments carefully as you revise the paper for resubmission.

Thank you for the opportunity to review your work. I wish you success with your revisions and look forward to seeing the improved manuscript.

Sincerely,
