

# Manuscript Appraisal Feedback

Date: [Insert Date]

Dear [Editor's Name],

I hope this message finds you well. I am writing to provide my feedback on the manuscript titled "[Manuscript Title]", submitted for consideration in [Journal Name]. After a thorough review, I have outlined my evaluation below.

## General Comments

[Provide a brief overview of the manuscript's strengths and weaknesses, highlighting the significance of the research and its contribution to the field.]

## Specific Comments

- **Introduction:** [Comments about the introduction, clarity, and relevance.]
- **Methodology:** [Comments about the methodology, appropriateness, and rigor.]
- **Results:** [Comments about the presentation and interpretation of results.]
- **Discussion:** [Comments regarding the context, implications, and limitations.]
- **Conclusion:** [Comments on how well the conclusions are supported by the results.]

## Recommendations

[Provide your recommendation regarding the manuscript - accept, minor revisions, major revisions, or reject - along with a brief justification.]

## Additional Notes

[Include any additional suggestions or comments that could enhance the manuscript.]

Thank you for the opportunity to review this manuscript. Please feel free to reach out if you need any further clarification on my comments.

Sincerely,

[Your Name]
