Dear [Author's Name],

Thank you for submitting your manuscript titled "[Insert Manuscript Title]" for review. After a thorough evaluation, we would like to provide the following feedback regarding your literature review:

Overall Assessment

Your literature review demonstrates a comprehensive understanding of the topic and integrates recent studies effectively. However, there are areas that need improvement.

Strengths

- Well-structured and clear articulation of key themes.
- Inclusion of a diverse range of sources enriching the discussion.
- Strong critical analysis of the existing literature.

Areas for Improvement

- Consider updating some references to include more recent studies (post-2020).
- Clarify the research gap in the introduction section to enhance focus.
- Improve the synthesis of sources to better highlight contrasting viewpoints.

Conclusion

We appreciate your hard work on this manuscript. Addressing the feedback provided will strengthen your literature review and enhance its impact within the scholarly community.

We look forward to your revised submission.

Sincerely,
