Dear [Publisher's Name],

I hope this message finds you well. I am writing to formally request the secondary publishing rights for my work titled "[Title of Your Work]," which was originally published on [Original Publication Date] in [Name of Publication].

As an author, I believe that obtaining these rights will allow me to [explain briefly why you need these rights, e.g., include your work in a new collection, reprint it in a different context, etc.]. I am eager to ensure that proper credit is given to both myself and [Publisher's Name] in any future publications I undertake.

I am more than willing to discuss any terms or conditions that you may have regarding this request. I truly appreciate your consideration and look forward to your positive response.

Thank you for your time and attention.

Sincerely,

[Your Name]
