

Advisory Letter on Manuscript Duplication Concerns

Dear [Author's Name],

We hope this message finds you well. We are writing to address a significant concern regarding your manuscript titled "[*Manuscript Title*]" submitted to [Journal Name].

Upon preliminary evaluation, our editorial team has identified potential issues related to manuscript duplication. Specifically, there are similarities with previously published works that may not meet the standards set forth by our journal regarding originality and plagiarism.

We kindly advise you to review your manuscript and compare it against existing literature to ensure that it meets ethical publication standards. If there are overlaps with any other works, we encourage you to provide proper citations or rework the sections in question.

For any queries or if you require further assistance, please do not hesitate to reach out to us.

Thank you for your attention to this matter.

Sincerely,
