

Notification of Suspected Manuscript Replication

Date: [Insert Date]

Dear [Author's Name],

We hope this message finds you well. We are writing to inform you that we have identified potential concerns regarding the originality of your submitted manuscript titled "[**Manuscript Title**]", with manuscript ID [Insert ID].

After a thorough review, it has come to our attention that portions of your work may closely resemble previously published papers. This raises questions regarding the replication of research findings without appropriate citation or acknowledgement.

We kindly request that you provide clarification regarding these similarities. Please respond to this notification within [Insert Timeframe] so we can address this matter accordingly.

Thank you for your attention to this important issue. We appreciate your collaboration in maintaining the integrity of the academic publishing process.

Sincerely,
