Dear [Recipient's Name],

I hope this letter finds you well. I am writing to formally offer the serialization rights for my romance novel titled "[**Title of the Novel**]." This novel weaves a captivating tale of love, passion, and personal growth, and I believe it would resonate well with your readership.

The novel consists of [insert word count], and I envision it being serialized over [insert number of episodes] installments. Each installment will close with a compelling cliffhanger, enticing readers to continue with the next part.

I am proposing an advance of [insert amount] against [insert percentage]% of the royalties on each serialized installment. I believe this arrangement can foster a mutually beneficial partnership.

Please let me know if you are interested and would like to discuss this offer further. I am open to adjustments and negotiations that suit both our needs.

Thank you for considering my offer. I look forward to your positive response.

Warm regards,

[Your Name]
