

Dear [Recipient's Name],

I hope this message finds you well. I am in the process of preparing my manuscript titled "[Manuscript Title]" for submission to [Journal/Publisher Name], and I would greatly appreciate your assistance regarding the formatting requirements.

Specifically, I am seeking clarification on the following points:

- Required font type and size
- Margins and line spacing specifications
- Referencing style guidelines
- Any specific templates or formats preferred

Your expertise in this matter would be invaluable, and any resources or guidance you could provide would be greatly appreciated. Thank you very much for your time and assistance.

Best regards,
