

# Student Loan Consultation Request

Date: [Insert Date]

Dear [Advisor's Name],

I hope this message finds you well. My name is [Your Name], and I am a returning student in the [Your Program] program at [Your University]. I am writing to request a consultation regarding my student loans.

As I prepare for the upcoming semester, I would like to discuss my current loan situation and explore options for managing my debt effectively. Additionally, I am interested in understanding any changes to loan regulations or repayment plans since my last consultation.

Please let me know your available times for a meeting, either in person or virtually. I appreciate your assistance as I navigate the financial aspects of my education.

Thank you for your time and support.

Sincerely,

[Your Name]
