Subject: Planning for Travel Expenses

Dear [Joint Account Holder's Name],

As we prepare for our upcoming trip to [Destination], I believe it's essential to discuss how we will manage our travel expenses through our joint account. Below are some key considerations and proposed allocations for our budget:

Proposed Budget Breakdown

- Transportation: \$[Amount]
- Accommodation: \$[Amount]
- Food: \$[Amount]
- Activities/Entertainment: \$[Amount]
- Souvenirs/Shopping: \$[Amount]

Total Estimated Expenses: \$[Total Amount]

To ensure smooth financial management during our trip, I suggest we review our current balance in the joint account and decide how much each of us will contribute towards the total expenses.

Please let me know a convenient time for you to discuss this further. I am looking forward to making this trip memorable while staying budget-conscious.

Best regards,
