Dear [Recipient's Name],

I hope this message finds you well. In light of the ongoing crisis and its impact on our operations, I would like to outline our cash flow management strategy to ensure financial stability and resilience.

1. Expense Reduction

We are reviewing all non-essential expenditures and implementing temporary cuts to preserve cash flow.

We are closely monitoring our revenue streams and adjusting our projections to reflect current market conditions.

3. Payment Terms Adjustments

We will reach out to our vendors to negotiate more flexible payment terms to improve cash reserves.

4. Financial Support Options

We are exploring various financial assistance programs and funding options available to support our operations during this time.

5. Regular Cash Flow Reviews

We will conduct weekly reviews of our cash flow situation and make adjustments as necessary to maintain liquidity.
