Dear [Recipient Name],

I hope this letter finds you well. I am writing to propose a medical expense reduction plan due to the increasing healthcare costs I have been facing. The objective of this plan is to outline strategies aimed at minimizing healthcare expenditures while ensuring continued access to necessary medical services.

Proposed Strategies:

- Negotiate with healthcare providers for reduced fees.
- Implement a tiered pricing system for services based on income.
- Explore generic medication options for prescriptions.
- Enhance preventive care initiatives to reduce long-term costs.

I believe that by adopting these strategies, we can significantly reduce medical expenses without compromising quality care. I would appreciate the opportunity to discuss this plan further and explore potential collaboration.

Thank you for considering this proposal. I look forward to your response.

Sincerely,
