

Digital Asset Risk Assessment Engagement Letter

Date: [Insert Date]

[Client Name]

[Client Address]

[City, State, Zip Code]

Dear [Client Name],

We are pleased to confirm our engagement to conduct a risk assessment of your digital assets. This engagement is aimed at identifying potential vulnerabilities, assessing risks, and providing recommendations for mitigating these risks to safeguard your digital presence.

Scope of Services

- Identification of digital assets
- Assessment of risks associated with each asset
- Recommendations for risk mitigation

Engagement Timeline

The assessment is expected to take approximately [insert duration], starting on [insert start date] and concluding by [insert end date].

Fees

The total fee for these services will be [insert fee]. An invoice will be provided upon completion of the assessment.

Please sign and return a copy of this engagement letter to indicate your acceptance of the terms outlined above.

Sincerely,

[Your Name]
