

# Dear [Debate Team Name],

As the competition approaches, I want to take a moment to express my pride in each and every one of you. Your hard work, dedication, and passion for debate are truly inspiring.

Remember, every argument you construct and every rebuttal you make is a step towards honing your skills and becoming more confident speakers. Embrace the challenges ahead as opportunities for growth.

Believe in yourselves, support one another, and most importantly, have fun! Win or lose, the real success lies in the effort you put forth and the knowledge you gain along the way.

Best of luck at the upcoming tournament! I am cheering for you all!

Sincerely,
