Dear [Principal's Name],

I am writing to formally appeal the decision regarding the expulsion of my child, [Child's Name], from [School's Name]. We acknowledge the concerns that have been raised but would like to address the underlying mental health challenges that have contributed to these issues.

[Child's Name] has been facing significant mental health difficulties, including [briefly describe challenges, e.g., anxiety, depression]. These challenges have impacted [his/her/their] behavior at school, but we have been actively seeking professional help, including therapy and support services.

We believe that with appropriate support and accommodations, [Child's Name] can succeed academically and socially. We respectfully request a meeting to discuss potential alternatives to expulsion, including a tailored support plan that could facilitate [his/her/their] return to school.

We appreciate your understanding and your commitment to student well-being during this difficult time. Thank you for considering our appeal.

Sincerely,

[Your Name]
