Dear Members of the Admissions Committee,

I hope this letter finds you well. I am writing to formally appeal the decision of expulsion concerning my child, [Child's Name], which was communicated to us on [Date of Notification]. We believe this decision was made based on misunderstandings surrounding the events that transpired.

On [specific date], [briefly describe the incident in question]. While we understand the seriousness of the situation, we wish to clarify [insert your perspective and any relevant facts]. Our intention has always been to foster a positive and supportive environment for [Child's Name] and the school community.

We kindly request a reconsideration of the circumstances, as [Child's Name] has made significant progress academically and socially at [School Name]. We believe that expulsion would not only affect [him/her/them] but also undermine the relationships built within the school.

We are committed to working collaboratively with faculty and administration to address any concerns and develop a constructive path forward that can support [Child's Name]'s ongoing education and growth.

Thank you for considering this appeal. We are hopeful for an opportunity to discuss this matter further and are eager to resolve any misunderstandings.

Sincerely,
