[Organization's Name]

[Organization's Address]

[City, State, Zip Code]

Dear [Recipient's Name],

I am writing to formally request clarity regarding the end-of-life care protocols currently in place at [Organization's Name]. As a [relationship to the recipient, e.g., concerned family member, patient advocate], I believe it is essential to ensure that all stakeholders are fully informed about the processes and practices governing end-of-life care, especially as they relate to patient dignity and quality of life.

Specifically, I would appreciate detailed information on the following:

- The criteria used to determine eligibility for palliative care.
- The protocols for patient and family communication throughout the end-of-life process.
- The measures in place to respect patient autonomy and advanced directives.
- Any associated timelines and decision-making frameworks that guide care transitions.

Understanding these protocols is critical for ensuring that patients and their families are treated with the utmost respect and care during such a challenging time. I would be grateful for a prompt response to this inquiry, as well as any documentation or resources that can provide additional insight.

Thank you for your attention to this matter. I look forward to your swift and informative response.

Sincerely,

[Your Name]
