

Dear Parents and Guardians,

We are excited to share our ongoing efforts in recycling and waste management at [School Name]. As part of our commitment to sustainability, we have implemented several programs aimed at reducing waste and promoting eco-friendly practices.

Recycling Initiatives

- Paper and Cardboard Recycling Stations in every classroom.
- Monthly collection drives for electronics and batteries.
- Partnership with local organizations to recycle uniforms and sports equipment.

Waste Management Practices

- Composting bins in the cafeteria for organic waste.
- Educational workshops on reducing single-use plastics.
- Incentive programs for classes with the least waste generated.

We encourage all families to participate in these initiatives at home and help us foster a culture of environmental responsibility within our community. Together, we can make a significant impact!

Thank you for your support!

Sincerely,

[Your Name]
