Dear Parents and Guardians,

We understand that navigating the digital world can be challenging for both parents and children. To support you in fostering responsible digital citizenship, we have compiled a resource guide that outlines essential topics and skills.

What is Digital Citizenship?

Digital citizenship refers to the responsible and ethical use of technology. It encompasses understanding online safety, privacy, and respectful communication.

Key Topics Covered in This Guide:

- Online Safety and Privacy
- Understanding Digital Footprints
- Cyberbullying Prevention
- Critical Thinking and Online Information Evaluation
- Responsible Use of Social Media

Helpful Resources:

We have included links to various websites, articles, and videos that provide valuable information and tips for both you and your children.

Workshops and Events:

Join us for our upcoming workshops where experts will discuss digital citizenship topics. Dates and registration details will be sent out soon!
