To Whom It May Concern,

I am writing to formally request an emergency medical visa for [Patient's Full Name], who is in urgent need of medical attention that cannot be provided in [Home Country].

[Patient's Full Name], [Patient's Relationship to You], requires immediate treatment for [specific medical condition] and has been recommended to seek care at [Name of Hospital or Medical Facility] in [Country]. The treatment is scheduled to begin on [Date], and the estimated duration of stay is [number of days/weeks].

Attached to this letter, you will find the necessary medical documents, including [list of attached documents such as medical reports, recommendation letters, etc.], to support this request.

Given the circumstances, we kindly ask for your swift assistance in expediting the visa process. Thank you for your attention to this urgent matter.

Sincerely,

[Your Name]
