To Whom It May Concern,

I am writing to formally request support for my application for a post-study work visa. I have recently completed my studies in [Your Field of Study] at [University Name], and I am eager to utilize the skills and knowledge I have gained in [Host Country].

My studies have equipped me with the necessary competencies to contribute effectively to the workforce in [Industry/Field]. I believe that obtaining a post-study work visa will not only enhance my professional development but also allow me to contribute to the local economy.

I would greatly appreciate any support or guidance the embassy could provide regarding the application process. Additionally, if there are any specific documents or requirements that I need to fulfill, please let me know.

Thank you for considering my request. I look forward to your positive response.

Sincerely,
