Dear [Energy Company Customer Service],

I am writing to formally express my concerns regarding my recent energy usage and to address issues related to energy efficiency in my account ([Your Account Number]).

Over the past few months, I have noticed an unexpected increase in my energy bills, despite no significant changes in my consumption habits. I have taken additional measures to conserve energy, such as [list any specific actions taken, e.g., using energy-efficient appliances, reducing usage during peak hours], but these efforts have not reflected in my billing statements.

I believe there may be an issue related to the energy efficiency measures provided by your services, and I would appreciate any insight or assistance you can offer regarding this matter. Additionally, I would like to request a review of my energy usage and an audit of my account to identify any discrepancies.

Thank you for your attention to this urgent matter. I look forward to your prompt response and a resolution to my concerns.

Sincerely,

[Your Name]
