To Whom It May Concern,

I am writing to formally express my concern regarding the excessive energy consumption on my recent utility bill. My account number is [Account Number].

Upon reviewing my bill for the month of [Month/Year], I noticed a significant increase in energy usage compared to previous months, despite no change in my household's usage patterns. This sudden spike in consumption has resulted in an unusually high bill, which I find difficult to understand and manage.

I would appreciate it if you could investigate this matter and provide an explanation for the increased consumption. Additionally, if there are any discrepancies in the meter reading or billing process, I would like to request an adjustment to my account.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
