

Complaint Regarding Faulty Energy Meter

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally express my concern regarding what appears to be a faulty energy meter at my residence located at [Your Address]. Over the past few months, I have noticed a significant and unexplained increase in my energy bills, which has raised my suspicion about the accuracy of the meter readings.

Despite taking measures to minimize my energy consumption, my bills have consistently remained higher than expected. I kindly request that your company conduct an investigation into the functionality of my energy meter and rectify any discrepancies if necessary.

I would appreciate your prompt attention to this matter and look forward to your response. Please feel free to contact me at [Your Phone Number] or [Your Email Address] for any further information needed.

Thank you for your assistance.

Sincerely,

[Your Name]
