Dear [Recipient's Name],

I am writing to formally inquire about a potential issue regarding meter tampering that has come to my attention. As a resident of [Your Neighborhood/Area], I have noticed [describe the specific issue, e.g., irregular readings, physical damage to the meter, etc.].

Given the implications of such tampering--both for billing accuracy and safety--I would appreciate any guidance you can provide on how to report this matter formally and what actions the local government agency can take to investigate.

Thank you for your attention to this urgent matter. I look forward to your prompt response.

Sincerely,

[Your Name]
