Dear Customer Service Team,

I am writing to formally request the resumption of my internet services which were interrupted on [Insert Date of Service Interruption]. My account number is [Insert Account Number].

Due to [reason for the interruption, e.g., technical difficulties, non-payment], I have been unable to access the internet. I would like to resolve this issue at the earliest possible time as I rely heavily on internet connectivity for both personal and professional purposes.

Please let me know the steps I need to take in order to have my services reinstated. I appreciate your prompt attention to this matter.

Thank you for your assistance.

Sincerely,
