Dear [Provider Name],

I hope this message finds you well. I am currently reviewing various internet service options available in my area and would like to request a comparison of your current tariff plans.

Specifically, I would appreciate it if you could provide the following details:

- Monthly subscription fees for different speed tiers
- Data limits (if any) on each plan
- Installation fees and any promotional offers
- Contract length options and early termination fees
- Customer support and service level assurances

Thank you for your assistance. I look forward to your prompt response.

Sincerely,
